Wee-Threes Thur-Fri AM Class

Dear Families,

We hope you enjoyed your Spring Break and had a lovely Easter celebration. We now are ready for some springtime fun!

It is amazing how much the children have grown these past seven months, not only physically, but socially and academically as well. Their fine motor strength has become stronger because of the fun activities such as play dough, Lego, painting, dobbing, shaking, bean bag dancing, and stamping, to name just a few. Their gross motor skills have improved from all of the dancing and gym activities such as walking the balance beam, scooting, crawling, and rolling on the mats, and much more. They've learned how to adhere to a classroom routine, follow behavioral expectations, and are continuously working on waiting their turn and walking safely in a single file line. You should be very proud of your child. We are!

We are so very **thankful** for the families who donated plastic Easter eggs and jelly beans for our visit from the "Easter Bunny". The children were so thrilled to find the candy-filled eggs during the exciting hunt.

As we start to wind down the school year, we look forward to Parent/Teacher Conferences on Friday, April 27th and Tuesday, May 1st. And we cannot forget our all school field trip on Wednesday, April 11th to the Cleveland Children's Museum. That is always a fun experience! Please see the field trip information sheet for the details.
