

## December Newsletter

### Wee-Threes Thur-Fri AM Class

Dear Families,

As the highly anticipated and magical month of December has come upon us, we will be busy preparing for all the excitement this month has to offer.

Like the elves at the North Pole, the children will be busy creating special surprises for their families. The projects have been chosen to support their fine motor skills using various art mediums. We should have them wrapped and ready to be taken home December 8<sup>th</sup>.

As you already know, we are anticipating **Santa Claus's visit to MEEC** on December 15<sup>th</sup>. If you haven't already turned in your Santa attendance slip, please get it to us as soon as possible. We need this so we can have Santa bring the correct number of gifts to give the children during his visit. Our class' time slot to visit him is 10:00am – 10:45am (Unless your permission slip states otherwise). The class will meet parents at 9:55am in the hall outside our classroom and will walk together. (If your child's permission slip lists a different time, your child will remain in the room with a staff member for activities.) Dismissal for home will immediately follow the end of our visit with Santa.
