

# November Newsletter

## Wee-Threes Thur-Fri AM Class

Dear Families,

As we enter the month of November, our thoughts turn to Thanksgiving, fall and all of the colors and smells that go along with the crisp autumn season. We are also reminded of how thankful we are to be able to work with your dear children. The upcoming parent/teacher conferences will give us the chance to discuss with you all that your child is doing in class, as well as answer any questions or concerns you may have about his/her development.

**Parent/Teacher Conferences:** Please make sure to arrive on time to your scheduled conference time. The teachers have many conferences scheduled on both days and want to give you the full amount of time for which you are scheduled. If you have forgotten your time slot, you will find a copy of our schedules on the board in the hallway across from the big classroom. **Also note:** There will be no classes both conference days, but childcare will be available in the big classroom while parents meet with teachers.

**Santa Claus at MEEC:** We are anticipating Santa Claus's visit to MEEC on December 15<sup>th</sup>. A permission slip will be coming home the first week in November, please return it to us by November 15<sup>th</sup>. We need this so we can have Santa bring the correct number of gifts to give the children during his visit.

---
