

November 2018 Newsletter

Wee-Threes Thurs-Fri AM Class

Dear Families,

As we enter the month of November, we are reminded what we are thankful for. As teachers, we thank you for allowing us to work with your children. They are a blessing and have grown so much already in these first 2 months of school!

Parent/Teacher Conferences: The upcoming parent/teacher conferences will give us the chance to discuss with you all that your child is doing in class, as well as answer any questions or concerns you may have about his/her development. Please make sure to arrive on time to your scheduled conference time. The teachers have many conferences scheduled on both days and want to give you the full amount of time for which you are scheduled. If you have forgotten your time slot, you will find a copy of our schedules on the board in the hallway across from the big classroom. **Also note:** There will be no classes both conference days, but childcare will be available in the big classroom while parents meet with teachers.

Important Dates:

November 6th and 9th – Parent/Teacher Conferences
(NO SCHOOL)

November 21st, 22nd, 23rd – Thanksgiving Day Holiday
(NO SCHOOL)
