Dear Parents:

We have certainly had a variety of snow, rain and sunshine this last month. We never really know what to expect, do we? Just a gentle reminder to please keep your child home if you think he is getting ill. The flu season has taken its toll on many of us this year. Thank you.

A huge thank you to all of you who made our Valentine’s Day so special. The children enjoyed delivering their special valentines to their friends, as we sang our Valentine songs.

For any of you who had anything to do with our Dinner/Auction on Saturday, February 24<sup>th</sup>, we send a HUGE thank you for your time and support.

We continue to work on our ABC books that we started in September. The children seem very happy discovering a new letter each week. It’s so fun to see the children play together at free-play. They have all made such good friends in our wee-threes class.
