Developmental Foundations M-T-W AM Class

Dear Families,

Our children will be very busy this month making "special gifts" for their families. The activities have been chosen to encourage age-appropriate fine motor skills, to develop sequencing skills and to teach the art of "giving." We hope you enjoy their efforts and treasure their creations.

Important Dates:

December 13: Show-n-Tell

Children are asked to bring in their favorite Christmas Ornament

December 15: "Santa Day at MEEC"

January 3: Classes Resume after Winter Break

Classroom Activities:

The children will be busy making their own Christmas decorations, gifts, cards and gift bags for their families.

The crafts have been chosen to support their skill levels. We hope you enjoy and treasure their efforts in creating them for you.

Gym Activities for the Month of December:

Musical Chairs, Bats/Balloons, Jumping Over and Crawling Under the Christmas Rope, Santa, Santa Reindeer

Our staff would like to extend Christmas Blessings to all of our families. Your children offer us the great gift of learning to be better teachers everyday. We Thank You for giving us that opportunity!

Wishing Everyone A Happy and Healthy Winter Break!
