

Great Beginnings Class Newsletter

Dear Parents,

December 2017

We have many exciting things happening in our Great Beginnings classroom this month. We are practicing our Christmas carols: Jingle Bells, Up On the Housetop, and We Wish You a Merry Christmas. We are working with white shaving cream, practicing all of our colors at circle time, going over numbers 1-5, working on strengthening our fine motor skills and enjoying many good books. Everyone is developing more play skills, working on sharing and practicing good manners at snack time.

We are working on many art projects and as a class will be decorating our bulletin board for Christmas. We are working on many gross motor skills during our gym time. The children have learn to sing and make movements to the song "Hokey Pokey." I am sure they would love to show you how they can make movements to that song.

This month our color is white and our shape is a star. We will also be decorating Christmas sugar cookies on December 15th, immediately following our visit with Santa Claus in the gym. After we decorate and eat our cookies together as a class, the children will be released to go home with you. We look forward to seeing you!
