

May 2018

Dear Parents,

We have enjoyed a very successful year. It has been a pleasure to watch the children grow and work with such supportive families. Thank you for attending your conference. It is nice to reflect on the progress that the children have made. Your children will be bringing home their end of year folder. I hope your family enjoys these year long projects.

This month we will be reviewing all of our colors and shapes. We are reading stories about all of the colors and shape monster to review the shapes. We will finally be able to enjoy our playground again! Don't forget the all school picnic on Wednesday May 16th at Middleburg park. There will be no school on that day.

Most of our children will be moving on to the big classroom next year, or the Wee Three's. We would like to acknowledge their success with a small presentation of completion of our program on Wednesday, May 23rd and Friday, May 25th at 11:10 am. The children will be seated for a class picture, sing their good-bye song and as they walk up to get their certificate, they will walk out the door to their parents. We will open both the classroom doors so the parents can watch from the hallway. We thought that this would be a nice low key ceremony.

It has been an absolute pleasure to watch the children grow, develop their personalities and building foundation for their education. We hope you enjoy your summer!

Warmest Wishes!
The Great Beginnings Team
Ms. Sharon & Ms. Charlotte
