

# **NOVEMBER 2018**

## **GREAT BEGINNINGS**

**We had a very busy and fun October. We made lots of crafts and learned some new songs. The children are getting used to the movement in the gym.**

**This month the children will be singing the turkey songs. We will be working with our shape and color of the month, the yellow star. We will be incorporating more movement activities in our circle time. A suggestion for home would be to practice the song and actions of "head shoulders knees and toes". This is a great way to get their whole body working together.**

**We are also Thankful that you share your children with us and are grateful for wonderful families like you. We look forward to talking with everyone at conferences on November 6<sup>th</sup> and 9<sup>th</sup>. Please remember that there is no school on those days but there will be care provided in the big room.**

**We hope your family has a happy Thanksgiving!**
