SUMMER SPEECH CAMP, 2019

Dear Parents:

We will once again be offering Summer Speech Camp at MEEC. The program is center-based and delivers developmentally and individually appropriate activities. Eligible children are 18 months – 6 years of age with a variety of speech-language, social/emotional, behavioral and developmental needs.

Purpose:

1. To provide your child with supplemental social experiences which are designed to encourage play skills such as initiating cooperative play, creative play, choosing independent play activities, completing chosen activities, and encouraging the use of communication skills.
2. To further develop communication skills. This ongoing process is incorporated into overall educational programming. The children will have many opportunities to practice these skills during their daily classroom activities.
3. To maintain pre-academic skills and promote your child's cognitive development. The educational program will provide opportunities for reviewing readiness skills in a developmentally and individually appropriate atmosphere.
4. Educational programming is conducted in small classroom units with a 3:1 student-teacher ratio. 30 minutes of speech-language therapy each week is part of the programming.
5. Above all, the summer speech camp will be conducted in a loving and caring environment which will guide your child in developing positive self esteem and a positive attitude toward others.

Schedule:

The summer speech camp is 7 weeks, from June 17 – August 2. Class times are 8:30 – 10:30 or 11:00 – 1:00. You will be notified of class assignments. Classes will be at Middleburg Early Education Center, 7171 Pearl Road, Middleburg Hts., OH 44130. The facility is air-conditioned.

The cost is \$525.00 for the 2-day program and \$750.00 for the 3-day program. Tuition is to be paid in one full payment due the week of June 17, 2019.
